

Toys for Tots Import and Performance Toy Drive

The Carlisle Import and Performance Toy Drive has been a yearly charity activity of the Central PA Chapter of the Renault Owners Club. Our mission has always been a simple one: To deliver joy to children that would otherwise not receive it. We have a Toy Drive team that gives their time, knowledge and support yet they want nothing in return. We have heard many times from our team members that they have been paid in full with the smile from a child who receives a toy.

Since the beginning, this has been supported by the Renault Owners Club, Carlisle Events and our local Toys for Tots Coordinators. First, the late Jim Washington, Jr. who we lost after a long battle with cancer in 2017, and then Bob Gilbert who has since stepped into the role. For those that participated, we greatly appreciate your donations and hope you will join us again in the 2020 toy drive. For those who did not take part we encourage you get involved with this year's toy drive. We hope you will encourage your fellow owners and club members to participate as well as challenge other owners and clubs to join the Toy Drive.

Last year we were able to provide toys for more than 2,300 needy children, and while we always do our best to help those in need in Cumberland, Perry and York counties, last year we had other surrounding communities contact us about toys. In the future we would like to be able to answer those requests as well. With your help, we can do it.
